

Re: Board of Zoning Appeals meeting for March 18, 2020

The Board of Zoning Appeals meeting for March 18, 2020 has been cancelled. The County Commissioners implemented *Social Distancing Practices for County Government* which became effective immediately with the policy that meeting rooms in the County shall not be used if participation exceeds 25 people. The Board of Zoning Appeal's meeting for March 18th has a potential to exceed 25 people so the meeting is cancelled.

Once the *Social Distancing Practices for County Government* has been lifted, meetings will be rescheduled and notification of said meeting will be sent out. You may find the *Social Distancing Practices* on the Porter County web page at www.porterco.org
