

PREAMBLE

- I. **AUTHORITY.** These rules are adopted pursuant to Rule 81 of the Indiana Rules of Trial Procedure, and are intended to supplement those rules.
- II. **SCOPE.** These rules apply to all litigants, whether or not represented by an attorney. Where not in conflict with Indiana Statutes, the Indiana Trial Rules or any subsequent modifications or amendments thereto, these rules shall govern the practice and procedure before the unified Porter Superior Court, hereinafter referred to as "Court".
- III. **PURPOSE.** Local rules of practice and procedure are promulgated to promote the just and speedy resolution of cases and to provide uniformity and consistency among the Judges of the Court.
- IV. **PROCEDURE.** Each year the Judges shall review the rules and consider changes and additions suggested by the Porter County Bar Association, the Porter County Prosecuting Attorney and the Porter County Public Defender.
- V. **DISTRIBUTION.** Pursuant to Trial Rule 81, in addition to these rules being forwarded to the Clerk of the Supreme Court and the Court of Appeals, copies shall also be forwarded without charge to the State Court Administrator, Porter County Prosecuting Attorney, Porter County Public Defender, Porter County Clerk, President of the Porter County Bar Association, public libraries of Porter County, and the Valparaiso University School of Law Library. Attorneys and members of the public may obtain copies of these rules by purchasing same from the office of the Porter County Clerk.
- VI. **PRIOR RULES.** All previous local rules of the Superior Courts of Porter County are hereby abolished.
- VII. **JUDGES.** The Judge of the Porter Circuit Court is desirous of serving as a Judge of the Porter Superior Court and the Judges of the Superior Court consent thereto. Therefore, pursuant to I.C. 33-5-38-28, the Judge of the Circuit Court is a member of the unified Porter Superior Court.

At any time the Judge of the Porter Circuit Court may withdraw the election to serve as a Judge of the Porter Superior Court. Further, at any time the Judges elected as Judges of the Porter Superior Court may, by majority vote, withdraw their consent to the Judge of the Porter Circuit Court serving as a Judge of the Porter Superior Court. In either event, all cases then pending having a cause number beginning with 64D05 shall continue to be assigned to the Judge of the Porter Circuit Court.

It has been the experience of the judges that not having a presiding judge fosters cooperation and unity among the judges. Therefore, the judges unanimously and expressly agree that there shall be no presiding judge elected.

VIII. CITATION. These rules shall be cited as L.R. ____.

IX. PENDING CASES. All cases pending on the effective date of these rules shall remain assigned to the Judge or Magistrate to whom they were previously assigned.

X. PROMULGATION. After the adoption the Clerk of this Court shall forward an approved signed copy of the rules to the persons and/or agencies referred to in V. above.

MAXIMUM FEE GUIDELINES AND RULES FOR SUPERVISED ESTATES

P R E A M B L E

PURPOSE OF THE FEE SCHEDULE

The Probate Committee of the Indiana Judicial Conference has prepared Guidelines for Estate Fees in an effort to achieve the following objectives:

1. Establish uniformity throughout the State in determining a fair and reasonable fee for supervised estates;
2. Provide a guideline to assist the Court in determining fair and reasonable fees;
3. Furnish a guideline to attorneys so they can discuss fees that may be reasonably incurred with their clients at the onset of administration;
4. Assist the legal profession to arrive at a fair and reasonable fee for estate work.

The schedule is NOT a minimum fee schedule, but a maximum fee schedule. Every attorney and personal representative has an obligation to request a fee which is fair and reasonable for the work performed, taking into account that provisions of the Rules of Professional Conduct applicable to attorneys admitted to practice law in the State of Indiana. However, any request for fees should not exceed the guidelines set out in the schedule. In an uncomplicated estate, fees should be less than the maximum fees listed in this schedule, and fees should always bear a reasonable relationship to the services rendered.

PRINCIPLES APPLICABLE TO FEE DETERMINATIONS

Although fee guidelines have been promulgated by the Court for probate matters, it is important that your attention be directed to certain criteria as they pertain to these guideline. The existence of the guidelines does not assure that all fees allowed by the Court will adhere to them. Other factors must be considered by the attorney and his, or her, client. The same factors will also be considered by the Court in making its final determination.

The criteria to be considered including the following:

- A. The time and labor required, the novelty, complexity, or difficulty of the questions involved, the skill required to perform the services properly, and shall include a determination as to how much of the attorney's time was devoted to legal matters and how much of it was devoted to ministerial functions;
- B. The nature and extent of the responsibilities assumed by the attorney and the results obtained, and shall include the considerations of the identity of the personal representative and the character of the probate and non-probate transferred assets;
- C. The sufficiency of assets properly available to pay for legal services, and shall consider whether the attorney's duties are expanded by the existence of non-probate assets

because of their inclusion for tax purposes, both federal and state;

D. The timeliness with which the necessary services are performed consistent with statutory requirements, the Court's rules of procedure and the Rules of Professional Conduct applicable thereto.

In considering all of these factors, all attorneys are urged to discuss their fee and that of the personal representative at the time they are retained in all probate matters.

LR64-FC00-6000 CITATION

These rules shall be known as Porter County Family Court Rules and shall be cited as follows:

PORTER COUNTY LOCAL FAMILY COURT RULE ___ 5OR 5LR64-FC ___ - ___ 5;

LR64-FC00-6100 OBJECTIVE

The primary objective of the Porter County Family Court is to coordinate cases among family members throughout the judicial process and to ensure the delivery of appropriate services. This allows judges to review family issues in a comprehensive manner, consolidate hearings when appropriate, issue non conflicting orders, impose sanctions to best fit family needs and instill accountability. To implement this concept, new techniques and information management systems are needed to identify family members and link their cases as they enter the judicial system. These rules are implemented only for cases assigned to Family Court.

LR64-FC00-6200 DEFINITIONS

Family Court. 5Family Court4is the court or courts before which cases involving a family or household are linked together for purposes of case coordination. The individual cases maintain their separate integrity and separate docket number, but may be given a common Family Court designation. The individual cases may all be transferred to one judge, or may remain in the separate courts in which they were originally filed.

Family Court Proceeding. A 5Family Court Proceeding4is comprised of the individual cases of the family or household which have been assigned to Family Court.

LR64-FC00-6300 JURISDICTION AND RELATED CASES

Porter County Family Court will have jurisdiction over cases in which a family with children or household with children has involvement in multiple cases, as indicated by the Family Court matrix, of the following types: CHINS, delinquency, juvenile status offense, child support, termination of parental rights, adoption, placement of children, paternity, dissolution of marriage, mental health, domestic violence, protective order, adult criminal (intra-family) and alcohol or drug charges.

The Court has determined that the following types of matters constitute cases that are

related when a named party and family or household member(s) have matters pending of the following types: CM, or DF filings involving domestic and/or family violence related charges and/or substance abuse charges, and all cases of the following types: PO, JM, JS, JP, JT, JD, JC, DR, GU, AD and MH.

The Family Court may exercise jurisdiction over any case involving the family at the same time it exercises jurisdiction over a juvenile case involving the family.

The Family Court may, in the court's discretion, set hearings on related cases to be heard concurrently, take evidence on the related cases at these hearings, and rule on the admissibility of evidence for each cause separately as needed to adequately preserve the record for appeal. This rule applies only when the cases are pending before the same judicial officer.

LR64-FC00-6400 ASSIGNMENT OF CASES, CLERKS RESPONSIBILITIES

The supervising judge of the Porter County Family Court shall approve the assignment of cases to the Family Court. The transfer and consolidation of cases assigned to Family Court are subject to the provisions of these Family Court Rules.

LR64-FC00-6600 CASE CONSOLIDATION AND TRANSFER

- e. Pay the required fee.

LR64-EF00-9500 ELECTRONIC FILING OF PLEADINGS

New Cases

Prior to creating a new case in the court computer system (AQuest@) a party must obtain a cause number from the Clerk of the Court. The cause number may be obtained upon submission of an appearance form and payment of the filing fee to the Clerk [or upon presentation to the Clerk of a court order waiving the filing fee]. Issuance of a cause number does not constitute a Afiling@ and will not toll any statute of limitations or other time limitation.

In order to create a new case in the court computer system (Quest), a person must have a password and user identification granting access to the system.

An action must be commenced in conformity with Trail Rule 3 and pursuant to Trial Rules 4 through 4.17 of the Indiana Rules of Trial Procedure.

Existing Cases

The CCS and pleadings of any existing case may be viewed on the QUEST system by use of a valid password. This does not apply to cases which are confidential by virtue of the law or court order.

To electronically file a pleading in QUEST, one must first complete an appearance form and file it with the clerk. Upon accepting the appearance form filing, the Clerk will make that case accessible for the filing of pleadings by the person who has made the appearance.

Whenever an attorney withdraws his appearance in a case, his accessibility to that case for the filing of pleadings will be removed.

Time of Filing

Documents may be filed through an E-filing system at any time that the Clerk's office is open to receive the filing or at such other times as may be designated by the Clerk and posted publicly. Documents filed through the E-filing system are deemed filed when received by the Clerk's office, except that Documents received at times that the Clerk's office is closed shall be deemed filed the next regular time when the Clerk's office is open for filing. The time stamp issued by the E-filing system shall be presumed

to be the time the Document is received by the Clerk.

Notice of Filing Pleading (Manner of Service)

In addition to the usual ways of serving parties of record pursuant to TR 5, service may be made by QUEST e-mail on those parties of record or their attorneys who are current users of the QUEST system. Said notice shall indicate the name of the pleading filed, the date it was file, and any hearing date thereon, if applicable. The notified party or attorney may then access the pleading through the QUEST system. A list of current users of the QUEST system shall be maintained by the Court.

LR64-EF00-9600 PASSWORD

Access to the court case management system QUEST may occur by obtaining the password and user name through a user agreement with the QUEST Coordinator in the Porter County Juvenile Probation Office. Each person is responsible for the use of his password. No person shall knowingly utilize or cause another person to utilize the password of another without permission of the holder of the password or in violation of these rules. No attorney shall knowingly permit or cause to permit his user name and password to be utilized by anyone other than an employee of his law firm.

LR64-EF00-9700 SIGNING OF DOCUMENTS

Documents filed through the E-filing system by use of a valid user name and password are presumed to have been signed and authorized by the User to whom that user name and password have been issued.

**LR64-EF00-9800 SATISFACTION OF SIGNATURE
REQUIREMENTS**

- a. Where an attorney's signature is required on a pleading, the QUEST imprint of attorney's name on the pleading will satisfy said requirement.
