

## **AGENDA**

The following cases will be heard by the Porter County Storm Water Advisory Board on Monday, the 14th day of February, 2022, at 5:00 p.m., at the Porter County Administrative Center, 155 Indiana Avenue, Room 205, Valparaiso, Indiana 46383.

### **A. Call to Order/Pledge**

### **B. Roll Call**

Recognition of New & Returning Board Members

### **C. Board Reorganization**

Election of Officers: President, Vice-President

### **D. New Business**

#### **Docket No. SM-22-0006**

Applicant: Woods Edge, LLC c/o Marbach-Palm, Inc.

Location: South of Joliet Rd., between Hayes-Leonard Rd. & Skyline Dr. (adjacent to Lincoln Hills subdivision)

Request: Discuss storm water management plan for the proposed 106-lot Woods Edge subdivision and responsibility for maintenance of storm water infrastructure to be located therein.

#### **Docket No. SM-22-0009**

Applicant: RCJJ Development, LLC c/o Torrenga Engineering, Inc.

Location: South of US 231, east of County Line Rd., in the Town of Hebron (adjacent to Crest Knoll subdivision)

Request: To install a culvert within Dog Lake Ditch to carry a road over and provide access to the west side of the ditch as part of the proposed 280-lot Park Ridge subdivision, which is located within the Town of Hebron.

#### **Docket No. SM-22-0010**

Applicant: NIPSCO c/o EN Engineering

Location: CR 450 S, between CR 200 W & CR 100 W

Request: To install a new gas main across (i.e., under) Ludington Ditch, Arm 19 and abandon the existing gas main in place in order to accommodate the Department's Ludington Ditch, Arm 19 reconstruction project.

#### **Docket No. SM-22-0012**

#### **Public Hearing on the Proposed Vacation of a Portion of Kemper Ditch, Arm 18**

Applicant: Shirley Heinze Land Trust c/o Soil Solutions, Inc.

Location: Kemper Ditch, Arm 18, between CR 1200 N & CR 450 E

Request: To vacate a portion of Kemper Ditch, Arm 18 that appears to no longer perform the functions for which it was designed and constructed. The vacation of that portion of Kemper Ditch, Arm 18 which is proposed to be vacated would allow for restoration of some of the wetlands that were drained when the drain was originally constructed as part of the Indiana Department of Natural Resources Stream & Wetland Mitigation Program (INSWMP).
