Below are listed options for searching for liens on Porter County property.

State Tax liens are not recorded in our office. Information about them is available through the [State of Indiana's Department of Revenue website](#).

Indiana State Tax Warrants are also kept on file with our County Clerk's office and our County Sheriff's office.

County Tax liens may be searched for at the County Clerk's office at the Porter County Courthouse, 16 Lincolnway, Suite 209, Valparaiso, Indiana 46383, Telephone: (219) 465-3450.

Miscellaneous property liens and IRS Federal Tax liens would be on file in our office. We do not normally perform searches of liens, as searches to purchase copies can be done online at our website [www.landrecords.net](http://www.landrecords.net).

Or you may visit our office and perform searches in our public access area if you should happen to be in the area. But as you can see, we do have ample ability to provide remote access for your search.

You may find contact information for our County Clerk and Sheriff via our county website at [www.porterco.org](http://www.porterco.org).
